JUDGMENT

1. Last year, by an order made on 27 September 2020 and reissued on 16 October 2020 ("Order"), I appointed Mr Richard Dixon Fleming and Mr Benjamin Thom Cairns to be joint administrators of NMC Healthcare Limited and 35 associated companies, including New Medical Centre Trading Limited. In relation to the administration of each company, the Order provided that during the period of the administration, the business and property of each company was to be managed by the joint administrators, Mr Fleming and Mr Cairns, and that the joint administrators be at liberty to consent to the exercise by the directors and the officers of the relevant company of any management power, and the Order also provided the joint administrators should have various powers set out in annex 1 to the Order.
2. Those powers included these:
 - a. at paragraph (2), the power to sell or otherwise dispose of the property of the company in any way including by public auction or private contract, or to sell, hire out or otherwise dispose of the property of the company by public group or private bargain;
 - b. by paragraph (8), the power to use the company's seal;
 - c. by paragraph (9), the power to do or act or to execute in the name and on behalf of the company any deed, receipt or other document including contracts, agreements, sale deeds, share transfers, and other documents. The Order also expressly stated that the power in that paragraph (9) included the power to represent the companies before all ministries and government departments inside and outside United Arab Emirates such as, among others, the Ministry of Health;

- d. by paragraph (12) of the Order, the power to do such things (including the carrying out of work) as may be necessary for the realisation of the property of the company; and
 - e. by paragraph (23), the power to do all other things incidental to the annex 1 powers, including to do anything necessary or expedient for the management of the affairs, business and property of the company.
3. Mr Fleming and Mr Cairns have made an application. It was made in its original form in their capacity as joint administrators of New Medical Trading Limited, but they are also administrators of NMC Healthcare Limited. And during the course of the hearing, Ms Felicity Toubé QC, who appeared on their behalf, led me to understand that they make the application also in that capacity for technical reasons that I shall come to.
 4. Their application was for an order expressly and specifically stating their power to act on behalf of New Medical Trading Limited in relation to a sale of shares in a company called Cytomed Middle East LLC, to which I shall refer as “Cytomed”. Again, Ms Toubé led me to understand that they seek an order also relating to their powers as administrators of NMC Healthcare Limited with regard to Cytomed shares.
 5. The evidence before me is that the shares in Cytomed are held as to 147 shares - that is to say 49% of the share capital - in the name of New Medical Trading Limited. The other 153 shares - that is to say 51% of the capital - are held by a Mr Saeed Alqebaisi on terms that oblige him to transfer them on the directions of NMC Healthcare Limited.
 6. Mr Alqebaisi has been given notice, albeit short notice, of the hearing. He has not made representations before me, which is entirely understandable in view of the notice that he was given, and I will refer to the position regarding him later in this short ruling.
 7. The joint administrators wish to sell the shares in Cytomed. Their reasons for doing so are explained by Mr Cairns in a witness statement of 25 February 2021, and appear to me proper. I am not asked to express any opinion on the commercial merits of the proposed sale. I am not in a position to do so and I do not do so. The reason the joint administrators seek an order specifically relating to powers with regard to Cytomed shares is that they believe that it will enable them, or at least assist them, to satisfy various requirements of competent authorities in the United Arab Emirates. I understand that in particular it will assist with regard to restrictions on dealings with regard to the NMC companies and their assets without the consent of the Attorney-General of Abu Dhabi. Of course, nothing that I say bears upon whether such consent should be forthcoming if and when requests or further requests for consent are made to him.
 8. Ms Toubé and Mr Adam Al Attar, representing the administrators before me, submit that the administrators are merely seeking confirmation of a power they already have as the Cytomed shares are merely part of the assets which they, as joint administrators, control and are free to realise, including by a sale, in order to achieve the purpose of the administration of Trading and the administration of Trading and NMC Healthcare Limited.
 9. I accept that submission. I have power to make the order sought under section 95(7) of the Insolvency Regulations 2015. I am satisfied in principle that it is proper and in accordance with the purpose of the administrations and my previous order to make an order relating to the powers of Mr Fleming and Mr Cairns in relation to the sale of the Cytomed shares.
 10. I have considered, with the assistance of Ms Toubé, the precise wording of the order and I shall request her to present a revised draft order reflecting my exchanges with her about the drafting of the order. Subject to that and a matter that I shall mention, I shall make the order sought.

11. The matter that I should mention concerns the position of Mr Alqebaisi. It has been drawn to my attention that on 2 December 2020 an order was made on the application of Abu Dhabi Commercial Bank PJSC by Mr Justice Bryan in the Commercial Court in London freezing assets of, amongst other persons, Mr Alqebaisi. It appears to me that nothing in the order sought conflicts with that freezing order of Mr Justice Bryan, and that my order need not embarrass Mr Alqebaisi in that regard.
12. However, as I have said, he had short notice of this hearing, and I understand that he is concerned that he should not be put into a position where his obligations conflict or be embarrassed in that regard. In those circumstances, I shall expressly give him liberty to apply with regard to my order, and I shall also direct that my order is not to be issued until noon on Sunday, 14 March 2021 - that's noon GST - and that if any application is made before noon by Mr Alqebaisi or by anyone else, that the order should not be issued. I shall consider such application or representation and the order should not be issued until I have made directions in that regard.
13. [Later] On reflection, I think rather than give him a specific liberty to apply, I think it's best to leave that aside. Do not include a liberty to apply. Rather, I include the direction that my order is not to be issued before noon or such extended period if an application is made by that time. And I think that suffices.
14. And if notice of an application is given by noon on Sunday, then the order is not to be issued until determination of that application or further order, and I think that will do.
