BEFORE:

COMMISSIONER VIBERT, JURATS COUTANCHE AND ORCHARD

Advocate R.J. Michel for Plaintiffs

Advocate S.A. Meiklejohn for the Defendant

Citibank (C.I.) Limited Represented by Advocate A.R. Binnington

Summons by the plaintiffs for leave to utilise documents obtained on discovery in the Jersey proceedings in support of an application in proceedings pending in the Supreme Court of Bermuda - application by the defendant for an adjournment of the summons

COMMISSIONER VIBERT: The Court appreciates the moderate approach by Advocate Michel in particular in this, and while what he said about there being a good deal of delay already and the suggestion that this was deliberate, this

really is a point in the cause and not something that we can accept as a fact on this particular application. The delay asked for is not great and it is not suggested that it would cause any harm to the plaintiff and therefore it will be granted to the date suggested, which would be the 20th of this month.

Costs to be paid on this particular days hearing by the defendants.
