EXPLANATORY NOTE

(This note is not part of the Order)

The annual close time of the River Dee (Aberdeenshire) salmon fishery district for the purposes of section 37(1) and (2) of the Salmon and Freshwater Fisheries (Consolidation) (Scotland) Act 2003 (“the 2003 Act”) is 27th August to 10th February, by virtue of the District of the River Dee (Aberdeenshire) (Annual Close Time) Order 1950 (S.I. 1950/299).

Section 37 of the 2003 Act prohibits all modes of fishing for and taking salmon in a salmon fishery district during the annual close time. It is an offence under section 14 of the 2003 Act to fish for or take salmon during the annual close time. An exception to this is where provision has been made for periods within the annual close time during which fishing for and taking salmon by rod and line is permitted.

It is permitted to fish for or take salmon by rod and line in the River Carron and the River Cowie within the district by virtue of the Annual Close Time (River Dee (Aberdeenshire) Salmon Fishery District) Order 1989 (S.I. 1989/1499).

This Order prescribes the periods when rod and line fishing for salmon is permitted during the annual close time in the part of the salmon fishery district comprising the River Dee. The periods are 1st February to 10th February and 27th August to 15th October in each year, and 1st to 15th October in 2012, all dates inclusive (article 2(2)). A map illustrating the extent of the River Dee within the district is appended to this note for information purposes only.

A Business Regulatory Impact Assessment (“BRIA”) has been prepared in relation to this Order and placed in the Scottish Parliament Information Centre. Copies of the BRIA are available from Marine Scotland, Victoria Quay, Leith, Edinburgh, EH6 6QQ and on line at www.legislation.gov.uk.
