CONTENT AND COPIES OF A CHILD’S PLAN

Information to be contained in a child’s plan

3.—(1) In addition to the information required by section 34 of the Act, a child’s plan is to contain the information specified in paragraph (2).

(2) The information is—

- (a) information regarding the matters listed in the Schedule, insofar as applicable to the child;
- (b) a record of any wellbeing needs which the child has and any action taken or to be taken to address those needs, which is set out in any of the following—
 - (i) a child’s plan prepared in respect of the child under regulation 5 of the 2009 Regulations;
 - (ii) a co-ordinated support plan prepared for the child under section 9 of the 2004 Act;
 - (iii) a pathway plan relating to the child which has been prepared in accordance with the 2003 Regulations;
 - (iv) any other plan prepared in respect of the child (whether under an enactment or otherwise), which contains information relevant to the child’s wellbeing needs.

Provision of copies of a child’s plan

4.—(1) Subject to paragraphs (2) and (3), after a child’s plan has been prepared, the authority which prepared it must provide a copy of the plan to—

- (a) the child where, taking account of the child’s age and maturity, the responsible authority considers that the child is capable of understanding the purpose and effect of the child’s plan;
- (b) the child’s parents; and
- (c) the service provider in relation to the child.

(2) The authority must not provide a copy of the plan to a person specified in paragraph (1) where the authority considers that providing a copy of the plan to that person would—

- (b) place any person named in or likely to be identified from the plan at risk of harm; or
- (c) be incompatible with any legal obligation to which the authority is subject.

(5) 1995 c.36. Section 17(6) was amended by paragraph 9(4)(b) of schedule 2 to the Adoption and Children (Scotland) Act 2007 (asp 4), paragraph 2(4) of schedule 5 to the Children’s Hearings (Scotland) Act 2011 (asp 1) and by S.S.I. 2013/211.

(3) Where paragraph (2) applies but the authority is satisfied that there would be no risk or, as the case may be, incompatibility, as mentioned in paragraph (2) if only a part of the plan were given to the person mentioned in that paragraph, the authority must provide that part of the plan to the person.

PART 3

MANAGEMENT OF A CHILD'S PLAN

Managing authority of a child's plan for a looked after child

5. Where a child is looked after by a local authority but that local authority is not, in terms of section 39(7) of the Act, the managing authority of any child's plan prepared in respect of that child by virtue of Part 5 of the Act, that local authority is to be the managing authority of that child's plan from the date on which the authority becomes aware that the child has a child's plan, or as soon as reasonably practicable thereafter.

Lead professional

6. The managing authority of a child's plan must identify an individual (the "lead professional") who is to ensure that the managing authority's functions in respect of that child's plan are carried out in accordance with section 39 of the Act and this Order.

Review of a child's plan

7.—(1) A child's plan is to be reviewed in accordance with this article.

(2) Subject to paragraphs (3) to (10) of this article, the managing authority of a child's plan is to arrange a review of the plan—

(a) within a period of 12 weeks, beginning with the date on which each of the following occurs

—

(i) the plan is prepared under section 35 of the Act;

(ii) management of the plan is transferred under section 39(5)(b) of the Act; or

(iii) a local authority becomes the managing authority of a plan in accordance with article 5; and

(b) thereafter, at intervals which have been agreed between the managing authority, the child and the child's parents.

(3) Where agreement as mentioned in paragraph (2)(b) cannot be reached, the managing authority is to arrange a review of the plan to take place at least once within each successive period of 12 months, beginning with the date on which the plan was last reviewed.

(4) Despite the terms of paragraphs (2) and (3), the managing authority of a child's plan is to arrange a review of a child's plan if it considers, having regard to the matters specified in section 39(1) of the Act, that the plan may require to be amended, transferred or ended before the date on which it would otherwise be reviewed by virtue of this article.

(5) The duty in paragraph (4) is to be exercised as soon as reasonably practicable after the managing authority becomes aware of the matter which may require the plan to be amended, transferred or ended.

(6) The following persons may at any time request that the managing authority of a child's plan consider arranging a review of the plan—

(a) the child;

(b) the child's parents.

(7) Where a request is made in accordance with paragraph (6), the managing authority is to consider, having regard to the matters specified in section 39(1) of the Act, whether the plan may require to be amended, transferred or ended before the date on which it would otherwise be reviewed by virtue of this article.

(8) Where the managing authority, on considering the matters specified in paragraph (7), is of the view that the child's plan may require to be amended, transferred or ended, the managing authority is to arrange a review of the plan as soon as reasonably practicable.

(9) Despite the terms of paragraphs (2) and (3), where—

- (a) the child is a looked after child, and a review of the child's case is to be carried out in accordance with regulation 44 or, as the case may be, 45 of the 2009 Regulations;
- (b) the child has a co-ordinated support plan, and a review of that plan is to be carried out under section 10(6) of the 2004 Act;
- (c) the 2003 Regulations apply to the child, and a review of the pathway plan relating to the child is to be carried out in accordance with regulation 12 of those Regulations; or
- (d) a review of any plan as mentioned in article 3(2)(b)(iv) is to be carried out,

the managing authority is to consider, having regard to the matters specified in section 39(1) of the Act, whether the child's plan may require to be amended, transferred or ended following any such review.

(10) Where the managing authority considers, in accordance with paragraph (9), that the child's plan may require to be amended, transferred or ended, it is to arrange a review of the child's plan to take place on the same day as the review mentioned in paragraph (9), or as soon as reasonably practicable after that date.

Inclusion of new targeted interventions in a child's plan

8. Where, in consequence of a review of a child's plan, the managing authority considers that a new targeted intervention requires to be provided in order to meet a wellbeing need which the child has, the managing authority must include any such targeted intervention in the child's plan.

Transfer of management of a child's plan

9.—(1) Subject to paragraph (3) where, in consequence of a review of a child's plan, the managing authority considers, having regard to any of the matters specified in paragraph (2), that it would be more appropriate for another relevant authority to manage the plan, then management of the child's plan is to transfer under section 39(5)(b) of the Act to that other relevant authority.

(2) The matters referred to in paragraph (1) are—

- (a) the child's wellbeing needs;
- (b) the child's place of residence;
- (c) any targeted intervention which is being or which requires to be provided to meet the child's wellbeing needs;
- (d) the relevant authority which is providing or, as the case may be, is likely to be able to provide, any targeted intervention as mentioned in sub-paragraph (c).

(3) The transfer of management as mentioned in paragraph (1) may take place only where the relevant authority to whom management of the plan is to transfer, agrees.

(6) Section 10 was amended by section 1(4) of the Education (Additional Support for Learning) (Scotland) Act 2009 (asp 7).

(4) A relevant authority which declines to give its agreement as mentioned in paragraph (3) must provide a statement of its reasons.
