EXPLANATORY NOTE

(This note is not part of the Order)

This Order extends the tolerable standard criteria set out in section 86(1) of the Housing (Scotland) Act 1987 by adding new criteria which must be satisfied for a house to meet the tolerable standard for the purposes of that Act. The new requirements are for a house to have satisfactory fire detection alarms and carbon monoxide detection alarms. The requirements will come into force on 1 February 2021.
