EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Health Protection (Coronavirus) (International Travel) (Scotland) Regulations 2020 (“the International Travel Regulations”).

They remove Cyprus and Lithuania from the list of exempt countries, territories and parts of countries or territories in Part 1 of schedule A1 of the International Travel Regulations. This means that persons arriving in Scotland at or after the time these Regulations come into force are no longer exempt from the movement restriction in regulation 6 of the International Travel Regulations if, during the 14 days preceding their arrival, they have departed from or transited through Cyprus or Lithuania.

These Regulations also update the list of specified competitions in schedule 3A of the International Travel Regulations, to remove events which have now concluded.

An impact assessment has not been produced for this instrument.
