EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Health Protection (Coronavirus) (International Travel) (Scotland) Regulations 2020 (“the International Travel Regulations”).

They remove Denmark, Germany and Sweden from the list of exempt countries, territories and parts of countries or territories in Part 1 of schedule A1 of the International Travel Regulations. This means that persons arriving in Scotland at or after the time these Regulations come into force are no longer exempt from the movement restriction in regulation 6 of the International Travel Regulations if, during the 14 days preceding their arrival, they have departed from or transited through Denmark, Germany or Sweden. The removal of Denmark from the list in schedule A1 will not affect passengers who arrive in Scotland before 12.30 pm on 6th November 2020. The removal of Germany and Sweden from the list in schedule A1 will not affect passengers who arrive in Scotland before 4.00 am on 7 November 2020.
