7. Comments (optional)

Based on the Expert's review of the Complaint and Annexes, it appears that the Complaint was intended to be submitted by Hendy Group Limited. The Complainant Denfield Advertising & Marketing Limited does not appear to have any rights in respect of a name or mark which is identical or similar to the domain name. The Complainant may be representing Hendy Group Limited, but that is not made clear and even if that were the case Hendy Group Limited would be the proper Complainant.

8. Decision

I refuse the Complainant's application for a summary decision. The domain name registration will therefore remain with the Respondent.
