

EMPLOYMENT TRIBUNALS

Claimants: (1) Mr R Carvalho
(2) Mr J Lee

Respondent: Kojawan Restaurants Ltd

Heard at: London Central

On: 17 February 2017

Before: Employment Judge Baty

Representation

Claimant: No attendance or representation

Respondent: No attendance or representation

JUDGMENT

The claims are struck out as they are not being actively pursued.

REASONS

The claims were listed to be heard today. No response had been presented in respect of either claim. Neither the claimants nor the respondent attended the Tribunal. The Tribunal clerk rang Mr Carvalho. He explained that both claimants were dealing with the matter through ACAS and no longer wished to pursue the employment tribunal proceedings. I therefore decided to strike out both claims on the basis that they are not being actively pursued.
