

# EMPLOYMENT TRIBUNALS

**Claimant:** Dr S Gopaul

**Respondent:** West Hertfordshire Hospitals NHS Trust

## JUDGMENT

The claimant's application dated 8 February 2017 for reconsideration of the judgment sent to the parties on 8 February 2017 is refused.

## REASONS

There is no reasonable prospect of the original decision being varied or revoked, because the grounds on which the reconsideration is sought asks the Tribunal to reconsider the evidence heard on the premise that the Tribunal's findings of facts do not meet the claimant's version.

The Tribunal's determinations were made on hearing evidence from both the claimant and the respondent, the conclusions on which are not affected by the submissions being made by the application for reconsideration; the arguments being put forward were fully examined in the hearing. There is no new evidence advanced for which the decision of the Tribunal can be questioned.

The interests of justice would not be served by a reconsideration of the Tribunal's judgment.
