FURTHER (2) DECISION ON SERVICE CHARGES

Decisions of the tribunal

Pursuant to the directions and interim decision dated 22nd August 2016, the Respondents having failed to file and serve further submissions as directed:-

1. No order is made on that part of the claim which is referred to in paragraph 5 of the decision dated 22nd August 2016, the Applicant having indicated by its further statement of case dated 13th September 2016 that it does not wish to pursue these charges.
2. The Applicant's claim for contractual interest on the outstanding service charges up to and including 13th September 2016 totalling £4440.40, continuing until payment at the rate of £5.77 per day, is correct and the amounts calculated by the Applicant are payable by the Respondents.
3. The Respondents must reimburse the Applicant the Tribunal fee of £440 by 5pm 3rd November 2016.

REASONS

1. The Applicant's further statement of case, filed and served as required by the directions given on 22nd August, withdraws the claim in relation to the charges referred to in paragraph 1 above, and therefore no order is made on that part of the claim.
2. As to the contractual interest claim, as the Applicant submits, correctly, there is a provision in clause 4(iii) of the lease for interest on late payments of service charge at the rate pleaded. This is not expressed to be recoverable as rent as such. It is within the definition of an administration charge: see *Schedule 11, paragraph 1(c), Commonhold and Leasehold Reform Act 2002* (copy attached below). It is not a variable administration charge because it is calculated in accordance with a contractual formula and therefore whether it is reasonable or not does not arise for determination in this claim. As such the amounts claimed are due from the Respondents and the Tribunal records this for the avoidance of doubt.
3. The Tribunal fee of £440 is repayable by the Respondents to the Applicant. This is plainly right in a case where the Respondents have not engaged with the process which the Applicant is being forced to undertake, in this case for the second time in less than three years.

Appendix of relevant legislation

Landlord and Tenant Act 1985 (as amended)

Section 18

- (1) In the following provisions of this Act "service charge" means an amount payable by a tenant of a dwelling as part of or in addition to the rent -
 - (a) which is payable, directly or indirectly, for services, repairs, maintenance, improvements or insurance or the landlord's costs of management, and
 - (b) the whole or part of which varies or may vary according to the relevant costs.
- (2) The relevant costs are the costs or estimated costs incurred or to be incurred by or on behalf of the landlord, or a superior landlord, in connection with the matters for which the service charge is payable.
- (3) For this purpose -
 - (a) "costs" includes overheads, and
 - (b) costs are relevant costs in relation to a service charge whether they are incurred, or to be incurred, in the period for which the service charge is payable or in an earlier or later period.

Section 19

- (1) Relevant costs shall be taken into account in determining the amount of a service charge payable for a period -
 - (a) only to the extent that they are reasonably incurred, and
 - (b) where they are incurred on the provisions of services or the carrying out of works, only if the services or works are of a reasonable standard;and the amount payable shall be limited accordingly.
- (2) Where a service charge is payable before the relevant costs are incurred, no greater amount than is reasonable is so payable, and after the relevant costs have been incurred any necessary adjustment shall be made by repayment, reduction or subsequent charges or otherwise.

Section 27A

- (1) An application may be made to the appropriate tribunal for a determination whether a service charge is payable and, if it is, as to -
 - (a) the person by whom it is payable,
 - (b) the person to whom it is payable,
 - (c) the amount which is payable,

- (d) the date at or by which it is payable, and
 - (e) the manner in which it is payable.
- (2) Subsection (1) applies whether or not any payment has been made.
- (3) An application may also be made to the appropriate tribunal for a determination whether, if costs were incurred for services, repairs, maintenance, improvements, insurance or management of any specified description, a service charge would be payable for the costs and, if it would, as to -
- (a) the person by whom it would be payable,
 - (b) the person to whom it would be payable,
 - (c) the amount which would be payable,
 - (d) the date at or by which it would be payable, and
 - (e) the manner in which it would be payable.
- (4) No application under subsection (1) or (3) may be made in respect of a matter which -
- (a) has been agreed or admitted by the tenant,
 - (b) has been, or is to be, referred to arbitration pursuant to a post-dispute arbitration agreement to which the tenant is a party,
 - (c) has been the subject of determination by a court, or
 - (d) has been the subject of determination by an arbitral tribunal pursuant to a post-dispute arbitration agreement.
- (5) But the tenant is not to be taken to have agreed or admitted any matter by reason only of having made any payment.

Section 20

- (1) Where this section applies to any qualifying works or qualifying long term agreement, the relevant contributions of tenants are limited in accordance with subsection (6) or (7) (or both) unless the consultation requirements have been either—
- (a) complied with in relation to the works or agreement, or
 - (b) dispensed with in relation to the works or agreement by (or on appeal from) the appropriate tribunal .
- (2) In this section “relevant contribution”, in relation to a tenant and any works or agreement, is the amount which he may be required under the terms of his lease to contribute (by the payment of service charges) to relevant costs incurred on carrying out the works or under the agreement.
- (3) This section applies to qualifying works if relevant costs incurred on carrying out the works exceed an appropriate amount.
- (4) The Secretary of State may by regulations provide that this section applies to a qualifying long term agreement—

- (a) if relevant costs incurred under the agreement exceed an appropriate amount, or
 - (b) if relevant costs incurred under the agreement during a period prescribed by the regulations exceed an appropriate amount.
- (5) An appropriate amount is an amount set by regulations made by the Secretary of State; and the regulations may make provision for either or both of the following to be an appropriate amount—
- (a) an amount prescribed by, or determined in accordance with, the regulations, and
 - (b) an amount which results in the relevant contribution of any one or more tenants being an amount prescribed by, or determined in accordance with, the regulations.
- (6) Where an appropriate amount is set by virtue of paragraph (a) of subsection (5), the amount of the relevant costs incurred on carrying out the works or under the agreement which may be taken into account in determining the relevant contributions of tenants is limited to the appropriate amount.
- (7) Where an appropriate amount is set by virtue of paragraph (b) of that subsection, the amount of the relevant contribution of the tenant, or each of the tenants, whose relevant contribution would otherwise exceed the amount prescribed by, or determined in accordance with, the regulations is limited to the amount so prescribed or determined.]

Section 20B

- (1) If any of the relevant costs taken into account in determining the amount of any service charge were incurred more than 18 months before a demand for payment of the service charge is served on the tenant, then (subject to subsection (2)), the tenant shall not be liable to pay so much of the service charge as reflects the costs so incurred.
- (2) Subsection (1) shall not apply if, within the period of 18 months beginning with the date when the relevant costs in question were incurred, the tenant was notified in writing that those costs had been incurred and that he would subsequently be required under the terms of his lease to contribute to them by the payment of a service charge.

Section 20C

- (1) A tenant may make an application for an order that all or any of the costs incurred, or to be incurred, by the landlord in connection with proceedings before a court, residential property tribunal or the Upper Tribunal, or in connection with arbitration proceedings, are

not to be regarded as relevant costs to be taken into account in determining the amount of any service charge payable by the tenant or any other person or persons specified in the application.

- (2) The application shall be made—

- (2) But an amount payable by the tenant of a dwelling the rent of which is registered under Part 4 of the Rent Act 1977 (c. 42) is not an administration charge, unless the amount registered is entered as a variable amount in pursuance of section 71(4) of that Act.
