

Freedom of Information Act 2000 (FOIA)

Decision notice

Date: 1 December 2015

Public Authority: London Borough of Newham
Address: Newham Dockside
1000 Dockside Road
London
E16 2QU

Decision (including any steps ordered)

1. The complainant has requested information from the London Borough of Newham (the Council) relating to the amount of summonses the Council has issues from the Town Hall to the people of Havering.
2. The Commissioner's decision is that the Council did not deal with the request for information in accordance with section 10 of the FOIA in the following way:
 - It failed to provide a response to the request within that statutory time frame of 20 working days.
3. The Commissioner requires the Council to take the following steps to ensure compliance with the legislation:
 - Issue a response under the FOIA.
4. The Council must take these steps within 35 calendar days of the date of this decision notice. Failure to comply may result in the Commissioner making written certification of this fact to the High Court pursuant to section 54 of the Act and may be dealt with as a contempt of court.

Request and response

5. On 19 October 2015, the complainant wrote to the Council and requested information in the following terms:

- *How many Summonses has the London Borough of Newham sent from their registered address at the Town Hall to the people of the London Borough of Havering since April 2014?*
6. The complainant informed the Commissioner that the Council has not responded or acknowledged the request.

Scope of the case

7. The complainant contacted the Commissioner on 26 October 2015 to complain about the way his request for information had been handled.
8. The complainant specifically stated that the Council had not responded to his request or sent an acknowledgment.
9. The Commissioner has had to consider whether the Council has handled the request in accordance with section 10 of the FOIA.

Reasons for decision

10. Section 10 of FOIA states that a public authority must respond to a request promptly and "no later than the twentieth working day following the date of receipt".
11. From the information provided the Commissioner in this case, it is evident that the Council did not respond to the request within the statutory time frame of 20 working days. The Council has therefore breached section 10 of the FOIA.
12. As no response has been provided to the complainant, the Commissioner requires the Council to issue a response under the FOIA.
