

Freedom of Information Act 2000 (FOIA)

Decision notice

Date: 4 August 2016

Public Authority: NHS Commissioning Board (NHS England)

Address: 4N22 Quarry House
Quarry Hill
Leeds
LS2 7UE

Decision (including any steps ordered)

1. The complainant has requested the attachments beginning with '7DS' to emails provided in response to a separate FOIA request. NHS England has failed to respond to this request for information.
2. The Commissioner considers that NHS England breached section 10(1) FOIA in the handling of this request.
3. The Commissioner requires the public authority to take the following steps to ensure compliance with the legislation.
 - NHS England must provide the complainant with a response to this request in accordance with its obligations under FOIA.

The public authority must take these steps within 35 calendar days of the date of this decision notice. Failure to comply may result in the Commissioner making written certification of this fact to the High Court pursuant to section 54 of the Act and may be dealt with as a contempt of court.

Request and response

4. On 9 May 2016 the complainant made the following request to NHS England:

"From the emails provided under FOI008384, please provide a copy of each of the attachments beginning with '7DS'. These are PDFs and can be sent easily by email."

5. NHS England has not provided a substantive response to this request.

Scope of the case

6. The complainant contacted the Commissioner on 15 June 2016 to complain about the way his request for information had been handled.
7. The Commissioner has considered whether NHS England dealt with this request in accordance with its obligations under section 10(1) FOIA.

Reasons for decision

9. Section 10(1) provides that:

"Subject to subsections (2) and (3), a public authority must comply with section 1(1) promptly and in any event not later than the twentieth working day following the date of receipt."

10. Section 1(1) provides that:

"Any person making a request for information to a public authority is entitled –

*(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to him."*

11. The request was made on 9 May 2016 and a substantive response is yet to be provided. The Commissioner therefore finds that NHS England breached section 10(1) in failing to respond within 20 working days.
