

Freedom of Information Act 2000 (FOIA)

Decision notice

Date: 11 February 2020

Public Authority: Chief Constable of Sussex Police
Address: Sussex Police Headquarters
Malling House
Church Lane
Lewes
East Sussex
BN7 2DZ

Decision (including any steps ordered)

1. The complainant requested information from Sussex Police about meetings to discuss a drill site.
2. The Commissioner's decision is that Sussex Police has breached section 10(1) of the FOIA in that it failed to provide a valid response to the request within the statutory time frame of 20 working days.
3. The Commissioner requires Sussex Police to take the following step to ensure compliance with the legislation.
 - Sussex Police must provide a substantive response to the request in accordance with its obligations under the FOIA.
4. Sussex Police must take this step within 35 calendar days of the date of this decision notice. Failure to comply may result in the Commissioner making written certification of this fact to the High Court pursuant to section 54 of the Act and may be dealt with as a contempt of court.

Request and response

5. On 29 August 2019, the complainant wrote to Sussex Police and requested information in the following terms:

"Dear Sussex Police,

Can you please provide full details of the meetings [redacted] of Eclipse Strategic Security (or any company associated with UKOG) held with the Bronze and Silver commander in March 2017 regarding Broadford Bridge drill site.

The notes of the meeting, who attended, when, where and outcome of meeting."

6. Sussex Police acknowledged the request on 30 August 2019. To date, a substantive response has not been issued.

Scope of the case

7. The complainant contacted the Commissioner on 19 December 2019 to complain about Sussex Police's failure to respond to their request.
8. The Commissioner has considered whether Sussex Police has complied with its obligations in relation to the time for compliance at section 10(1) of the FOIA.

Reasons for decision

9. Section 1(1) of the FOIA states that:

"Any person making a request for information to a public authority is entitled –

(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and

(b) if that is the case, to have that information communicated to him."

10. Section 10(1) of the FOIA states that a public authority must respond to a request promptly and *"not later than the twentieth working day following the date of receipt"*.

11. On 14 January 2020 the Commissioner wrote to Sussex Police, reminding it of its responsibilities and asking it to provide a substantive response to the complainant within 10 working days.
12. Despite this intervention Sussex Police has failed to respond to the complainant.
13. From the evidence provided to the Commissioner in this case, it is clear that Sussex Police did not deal with the request for information in accordance with the FOIA. The Commissioner finds that Sussex Police has breached section 10(1) by failing to respond to the request within 20 working days and it is now required to respond to the request in accordance with the FOIA.
