The complainant requested information from the NHS Commissioning Board (“NHS England”) relating to the tendering process that resulted in Fit Test training collaboration with Respiratory Protective Assessment Limited. By the date of this notice NHS England had failed to provide a substantive response to this request.
2. The Commissioner’s decision is that NHS England has breached section 10(1) of the FOIA in that it failed to provide a valid response to the request within the statutory time frame of 20 working days.

 - Respond to the complainant’s request in accordance with the FOIA.
4. NHS England must take these steps within 35 calendar days of the date of this decision notice. Failure to comply may result in the Commissioner making written certification of this fact to the High Court pursuant to section 54 of the Act and may be dealt with as a contempt of court.

5. On 23 July 2020, the complainant wrote to NHS England and requested information in the following terms:

6. To date, a substantive response has not been issued.

Scope of the case

7. The complainant contacted the Commissioner on 25 April 2021 to complain about the failure by NHS England to respond to his request.
8. The Commissioner has considered whether NHS England has complied with its obligations in relation to the time for compliance at section 10 (1) of the FOIA.

Reasons for decision

9. Section 1(1) of the FOIA states that:

Any person making a request for information to a public authority is entitled –

*(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
(b) if that is the case, to have that information communicated to him.*

10. Section 10(1) of the FOIA states that a public authority must respond to a request promptly and “not later than the twentieth working day following the date of receipt.”
11. On 21 May 2021, the Commissioner wrote to NHS England, reminding it of its responsibilities and asking it to provide a substantive response to the complainant within 10 working days.
12. Despite this intervention NHS England has failed to respond to the complainant.
13. From the evidence provided to the Commissioner in this case, it is clear that NHS England did not deal with the request for information in accordance with the FOIA. The Commissioner finds NHS England has breached section 10(1) by failing to respond to the request within 20 working days and it is now required to respond to the request in accordance with the FOIA.
