

## **Freedom of Information Act 2000 (FOIA)**

### **Decision notice**

**Date:** 24 May 2021

**Public Authority:** Independent Parliamentary Standards Authority

**Address:** 30 Millbank  
London  
SW1P 4DU

#### **Decision (including any steps ordered)**

---

1. The complainant requested information from the Independent Parliamentary Standards Authority (IPSA) about the total amounts claimed by MPs for the Congestion Charges and Ultra Low Emission Zones administered by Transport for London. The IPSA had failed to provide a substantive response by the date of this notice.
2. The Commissioner's decision is that the IPSA failed to respond to the request within 20 working days and has therefore breached section 10 of the FOIA.
3. The Commissioner requires the IPSA to take the following steps to ensure compliance with the legislation.
  - Issue a substantive response, in accordance with its obligations under the FOIA, to the request.
4. The IPSA must take these steps within 35 calendar days of the date of this decision notice. Failure to comply may result in the Commissioner making written certification of this fact to the High Court pursuant to section 54 of the FOIA and may be dealt with as a contempt of court.

## Request and response

---

5. On 27 December 2020, the complainant wrote to the IPSA and requested information in the following terms:

*"Please state the total amount claimed (as defined as when MPs have included additional information about their claim in a free text field) by MPs since the creation of IPSA for (a) the Congestion Charge administered by Transport for London, and (b) the Ultra Low Emission Zone administered by Transport for London. Please also state the amounts that have been claimed by MPs for (a) the Congestion Charge, and (b) the Ultra Low Emission Zone, for the specific years 2019/200 and the year to date of 2020/2021.*

*If the only information that can be provided is the collective claims for the Congestion Charge and road tolls, including the Ultra Low Emission Zone, please publish these figures."*

6. The IPSA acknowledged the request on 28 December 2020 but had failed to provide a substantive response by the date of this notice.

## Scope of the case

---

7. The complainant contacted the Commissioner on 4 April 2021 to complain about the failure, by the IPSA, to respond to the request.
8. In line with her usual practice, the Commissioner contacted the IPSA on 4 May 2021 to highlight the outstanding response. She requested that the IPSA respond to the request within 10 working days. The correspondence was neither acknowledged nor responded to.
9. The scope of this notice and the following analysis is to consider whether the IPSA has complied with section 10 of the FOIA.

## Reasons for decision

---

10. Section 1(1) of the FOIA states that:

*Any person making a request for information to a public authority is entitled –*

- (a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and*

*(b) if that is the case, to have that information communicated to him.*

11. Section 10 of the FOIA states that responses to requests made under the Act must be provided "*promptly and in any event not later than the twentieth working day following the date of receipt.*"
12. From the evidence presented to the Commissioner in this case, it is clear that, in failing to issue a response to the request within 20 working days, the IPSA has breached section 10 of the FOIA.

### **Other matters**

---

13. The Commissioner wishes to place on record her understanding of the immense pressures placed on public authorities during the coronavirus pandemic. She is sympathetic to the difficult decisions such authorities must make, between prioritising front-line services and continuing to meet their obligations under the FOIA.
