Decision notice

Date: 23 January 2023

Public Authority: Greater Manchester Mental Health NHS
Foundation Trust

Address: Trust Headquarters
Bury New Road
Prestwich
M25 3BL

Decision (including any steps ordered)

1. The complainant requested copies of several reports that Greater Manchester Mental Health NHS Foundation Trust (the Trust) referenced during the February 2022 board papers. By the date of this notice the trust had not issued a substantive response to this request.
2. The Commissioner's decision is that the Trust has breached section 10(1) of FOIA in that it failed to provide a valid response to the request within the statutory time frame of 20 working days.
3. The Commissioner requires the Trust to take the following step to ensure compliance with the legislation.
 - The Trust must provide a substantive response to the request in accordance with its obligations under FOIA.
4. The Trust must take this step within 35 calendar days of the date of this decision notice. Failure to comply may result in the Commissioner making written certification of this fact to the High Court pursuant to section 54 of FOIA and may be dealt with as a contempt of court.

Request and response

5. On 11 May 2022, the complainant wrote to the Trust and requested information in the following terms:

"Please can I have copies of the following reports. They were all referenced during the February 2022 board papers.

- The Trusts 'Efficiency targets' reports for 2022/23 and 2021/22
- The Independently commissioned review of inpatient and community budgets benchmarked against other mental health Trusts
- The Annual Thematic Reviews of Serious Incidents and Trend Analysis reports for the last three years (i.e 2019 - 2022) including whichever is the latest available.
- The latest four audits that were produced per the Internal Audit Plan, namely: 'Key Financial Controls', 'Mental Health Services Transfer', 'Backlog Long Waits' and 'Serious Incidents', plus a copy of the latest Internal Audit Plan.
- The Bi-annual update/reports from the Positive and Safe Group to QIC on restrictive practices over the last three years (2019 to 2022).
- The Quarterly Service User and Carer Experience and Engagement Reports for the last 3 years (2019 to 2022)."

6. The Trust acknowledged the request on 11 August 2022. To date, a substantive response has not been issued.

Scope of the case

7. The complainant contacted the Commissioner on 31 October 2022 to complain about the Trust's failure to respond to their request.
8. The Commissioner has considered whether the Trust has complied with its obligations in relation to the time for compliance at section 10(1) of FOIA.

Reasons for decision

9. Section 1(1) of FOIA states that:

"Any person making a request for information to a public authority is entitled –

(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and

(b) if that is the case, to have that information communicated to him.”

10. Section 10(1) of FOIA states that a public authority must respond to a request promptly and "not later than the twentieth working day following the date of receipt".
11. On 8 November 2022 the Commissioner wrote to the Trust, reminding it of its responsibilities and asking it to provide a substantive response to the complainant's request within 10 working days.
12. Despite this intervention the Trust has failed to respond to the complainant.
13. From the evidence provided to the Commissioner in this case, it is clear that the Trust did not deal with the request for information in accordance with FOIA. The Commissioner finds that the Trust has breached section 10(1) by failing to respond to the request within 20 working days and it is now required to respond to the request in accordance with FOIA.
