pursuant to section 54 of FOIA and may be dealt with as a contempt of court.

Request and response

5. On 13 July 2023, the complainant wrote to the public authority and requested information in the following terms:

“Could Castle Point council please explain how the costing has risen from approximately £100 to £450 ???

1. When and how was this decision reached was it put forward by the licensing department and discussed at licensing committee level, if so please provide evidence, or was it just introduced and implemented by the licensing department???
2. Can the council please provide a detailed breakdown of costing to themselves, how much time it takes to implement the changes and what costs are involved???
3. Can you explain why you have a 2 tier pricing system for the same service???
H/C plate transfer £450
P/H plate transfer £250”

Reasons for decision

6. Section 1(1) of FOIA states that:

“Any person making a request for information to a public authority is entitled –

(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and

(b) if that is the case, to have that information communicated to him.”

7. Section 10(1) of FOIA states that a public authority must respond to a request promptly and “not later than the twentieth working day following the date of receipt”.
8. On 19 October 2023 the Commissioner wrote to the public authority, reminding it of its responsibilities and asking it to provide a substantive response to the complainant’s request within 10 working days.

9. Despite this intervention the public authority has failed to respond to the complainant.
10. From the evidence provided to the Commissioner in this case, it is clear that the public authority did not deal with the request for information in accordance with FOIA. The Commissioner finds that the public authority has breached section 10(1) by failing to respond to the request within 20 working days and it is now required to respond to the request in accordance with FOIA.
