

PATENTS ACT 1977

IN THE MATTER OF an application under
Section 13(1) by David Broughton
in respect of Patent No GB 2304208
in the name of Baylis Generators Limited

DECISION

The application for this patent named one inventor, Trevor Graham Baylis.

David Broughton has now applied to be mentioned as a joint inventor in accordance with Section 13(1) of the Act.

In a settlement agreement with David Broughton dated 4 December 2001, Baylis Generators Limited and Trevor Graham Baylis support David Broughton's request to be named as a joint inventor. I therefore conclude that all relevant parties agree that David Broughton was a joint inventor.

Accordingly, I find that David Broughton should be mentioned as a joint inventor in the granted patent. I also direct in accordance with Rule 14(5) that an addendum slip mentioning him as a joint inventor be prepared for the granted patent.
