**DECISION**

- 1 Patents Form 7/77 names four inventors; Devis Iellici, Steven Gregory O'Keefe, James William Kingsley and Simon Philip Kingsley.
- 2 Antenova Limited, the patent proprietor, has now made an application in accordance with section 13(1) of the Act to the effect that Scott William Spencer Tyler ought also to have been named as an inventor.
- 3 Each of the named inventors have confirmed in writing that they consent to the application. Scott William Spencer Tyler has also confirmed in writing that he should be named as a joint inventor. I therefore conclude that all the relevant parties agree that Scott William Spencer Tyler should be named as a joint inventor.
- 4 Accordingly I find that Scott William Spencer Tyler should be mentioned as a joint inventor in the published patent application and granted patent for the invention and I direct, in accordance with rule 10(1), that an addendum slip mentioning him as a joint inventor be prepared for the published patent application and granted patent.
