

PATENTS ACT 1977

PARTIES Daimler AG, Hong Zhang, Corinna Pflieger, Wolfgang Ludwig, Walter Boegner, Christof Schoen and Dirk Voiglaender

ISSUE Mention of additional inventors for patent number GB2344771

HEARING OFFICER Andrew Bushell

DECISION

- 1 Patents Form 7/77 names three inventors: Hong Zhang, Corinna Pflieger and Wolfgang Ludwig.
- 2 Daimler AG, the patent proprietor, has filed an application in accordance with rule 10(2) of the Patents Rules 2007 to the effect that Walter Boegner, Christof Schoen and Dirk Voiglaender should also have been named as joint inventors.
- 3 The current listed inventors, Hong Zhang, Corinna Pflieger and Wolfgang Ludwig have filed written consent in support of this application. For their part, Walter Boegner, Christof Schoen and Dirk Voiglaender also confirmed in writing that they should be named as joint inventors. I therefore conclude that all relevant parties agree that Walter Boegner, Christof Schoen and Dirk Voiglaender should be named as joint inventors.
- 4 Accordingly I find that Walter Boegner, Christof Schoen and Dirk Voiglaender should be mentioned as joint inventors in the published patent application and granted patent for the invention. I therefore direct, in accordance with rule 10(1), that an addendum slip mentioning them as joint inventors be prepared for the published patent application and granted patent for the invention.
