**DECISION**

- 1 Patents Form 7/77 names one inventor: Andrew Morrison.
- 2 Zytronic Displays Limited, the proprietor, has filed an application in accordance with rule 10(2) of the Patents Rules 2007 to the effect that Stephen Ormston and Philip Rudland should also have been named as joint inventors.
- 3 The current listed inventor, Andrew Morrison, has filed written consent in support of this application. For their part, Stephen Ormston and Philip Rudland, have also confirmed in writing they should be named as joint inventors. I therefore conclude that all relevant parties agree that Stephen Ormston and Philip Rudland should be named as joint inventors.
- 4 Accordingly I find that Stephen Ormston and Philip Rudland should be mentioned as joint inventors in the published patent application and granted patent for the invention. I therefore direct, in accordance with rule 10(1), that an addendum slip mentioning them as joint inventors be prepared for the published patent application and granted patent for the invention.
