(This note is not part of the Order)

This Order approves the payment to the Inter-American Development Bank (“the Bank”) of a subscription not exceeding in the aggregate the equivalent of 16,370,078 United States Dollars to the increased authorised capital stock of the Bank. Resolution AG 7/10 adopted by the Board of Governors of the Bank on 21st July 2010 recommended that the authorised capital stock be increased and that the members of the Bank should take action to enable it to adopt the proposed resolution titled “Increase of US \$70 Billion in the Authorised Ordinary Capital Stock and Subscriptions Thereto”. The payment approved by this Order will be made pursuant to arrangements set out in a resolution adopted by the Board of Governors of the Bank that is materially identical to that proposed resolution.

The Order further provides that the Secretary of State may make payments to maintain the value of the subscription to the increased authorised capital stock. It also provides that the Secretary of State may make payments to redeem any non-interest-bearing and non-negotiable notes issued by the Secretary of State in payment of this subscription.

An impact assessment has not been produced for this instrument as no impact on the private or voluntary sectors is foreseen.
