EXPLANATORY NOTE

(This does not form part of the Order)

Improvement works have been carried out at Wilton Road in Salisbury to provide an access road for the newly constructed Royal Courts of Justice; to re-align the entrance to the former Manor Hospital site, now known as Fountain Way, and to re-locate the puffin crossing.

Following these changes it has become necessary to vary the termination points of some of the waiting prohibitions and restrictions in the Order that apply to that length of Wilton Road in Salisbury to ensure they accurately reflect the extent of the prohibitions and restrictions.
