EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations are made in exercise of the powers in section 8(1) of the European Union (Withdrawal) Act

2018 (c. 16)

in order to address failures of retained EU law to operate effectively and other deficiencies (in particular under section 8(2)(g)) arising from the withdrawal of the United Kingdom from the European Union.

These Regulations ensure that following the withdrawal of the United Kingdom from the European Union, the domestic system regarding certificates of professional competence continues to operate effectively. The domestic system applies, with some exceptions, to professional drivers of lorries and buses who must pass an initial CPC test (unless they have acquired rights), valid for five years, and undergo 35 hours of periodic training every five years.

An impact assessment has not been produced for this instrument as no, or no significant, impact on the private or voluntary sector is foreseen.
