Method for determining the amount of a periodic fee

5. The amount of a periodic fee is determined in accordance with the formula—

$$FR \times NR$$

where—

“FR” is the sum which the Secretary of State determines the Authority requires in respect of each registered social worker in order to perform the relevant functions; and

“NR” is the number of registered social workers on such date as is specified by the Secretary of State in a notice issued under regulation 4(1).

Time for payment and interest payable

6.—(1) The Secretary of State must send a written notice to Social Work England (the “fee notice”) stating the amount of a periodic fee which is payable by Social Work England and specifying the chargeable period to which it relates.

(2) A periodic fee must be paid by the due date.

(3) The due date is that specified in the fee notice or, in the case of a re-determined periodic fee pursuant to regulation 7, in the amended fee notice.

(4) The due date must not be earlier than 30 clear days after the date of the notice.

(5) Where Social Work England does not pay the full amount of the periodic fee by the due date, it must pay interest to the Authority on the outstanding amount of that fee.

(6) Interest is to accrue daily from the day immediately following the due date at the annual rate of 1.5% above the Bank of England base rate.

(7) For the purposes of paragraph (6), “Bank of England base rate” means—

(a) the rate announced from time to time by the Monetary Policy Committee of the Bank of England as the official dealing rate, being the rate at which the Bank is willing to enter into transactions for providing short term liquidity in the money markets, or

(b) where an order under section 19 of the Bank of England Act 1998(8) is in force, any equivalent rate determined by the Treasury under that section.

Re-determining the amount of a periodic fee

7. The Secretary of State may re-determine the amount of a periodic fee, at the request of the Authority, at the request of Social Work England or on the Secretary of State’s own initiative.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations are made under the National Health Service Reform and Health Care Professions Act 2002 as amended by Part 2 of the Children and Social Work Act 2017 (“the 2017 Act”), which made changes to the way in which social workers in England are regulated. In particular the 2017 Act established a body corporate, Social Work England (“SWE”), as the regulator of social workers in England in place of the Health and Care Professions Council.

The Professional Standards Authority for Health and Social Care (“PSA”) carries out functions in relation to SWE. These Regulations require SWE to pay a periodic fee to the PSA in respect of the carrying out of those functions. They prescribe the functions in relation to which a periodic fee is payable, set out the way in which the amount of the fee is to be determined, and make provision in relation to payment and any interest.

A full impact assessment has not been produced for this instrument as no, or no significant, impact on the private, voluntary or public sector is foreseen.
