2. I should be grateful if your Excellency would be so good as to confirm that the Royal Hellenic Government agree to take over responsibility for the administration of the Dodecanese Islands on the above understanding.

No. 3

Sir C. J. Norton to Monsieur C. Tsaldaris

British Embassy,

Athens, 7th April, 1947.

Monsieur le Ministre,

WITH reference to the Notes exchanged by your Excellency and myself on the 31st March, regarding the transfer of responsibility for the administration of the Dodecanese Islands from the British Military Administration to a Greek Military Administration, I have the honour to inform your Excellency that His Majesty's Government in the United Kingdom have agreed to the following further provisions regarding additional matters arising out of this transfer.

2. It is agreed between the Royal Hellenic Government and His Majesty's Government in the United Kingdom that the question of responsibility for the cost of the administration incurred during the British occupation of the Islands shall remain a matter for subsequent negotiation along the lines eventually adopted for the settlement of similar costs in non-metropolitan territories over which, in accordance with the provisions of the Peace Treaty, Italy is to relinquish sovereignty, the financial potentiality of Greece being taken into consideration. Any debts which municipalities and parastatal companies in the Dodecanese owe to the British Military Administration in respect of advances for working capital shall similarly remain a subject for negotiation between the two Governments.

3. The British Military Administration occupation currency in circulation in the Dodecanese will be redeemed within five days from the 7th April, 1947, by the Greek Military Administration at the rate of 20,000 Drachmæ to the £B.M.A. Special provision will be made for conversion after the expiry of this time limit in cases where good cause can be shown why such currency, legally acquired, cannot be presented for conversion by the 12th April. The currency so redeemed will be transferred to a blocked account. Its disposal will be a matter for subsequent negotiation between the two Governments in association with the settlement of administration costs.

4. His Majesty's Government in the United Kingdom agree to waive all claim to military material captured from the Italian and German forces formerly in occupation of the Dodecanese, still remaining in the Islands on 1st April, 1947. His Majesty's Government also agree that the Royal Hellenic Government may, if they so wish, acquire surplus stores and equipment belonging to the British Military Administration on terms to be subsequently decided between the two Governments.

5. It is understood that the Royal Hellenic Government will make effective payment for stocks of food left in the Islands on 31st March, by the British Military Administration at the request of the Royal Government, and for supplies provided by the British Military Administration and imported

into the Islands after that date, in such manner as His Majesty's Government may decide. The question of the U.N.R.R.A. articles will be settled by negotiation between the two Governments.

6. I should be grateful if your Excellency would be so good as to confirm that the Royal Hellenic Government accept the above provisions.

I avail, &c.

(Sd.) C. J. NORTON.
